## Company Brief Introduction

- ❑ HARMONY POWER Group was founded by leaders who understood that energy reliability is the backbone of economic growth.
- ❑ With hands-on experience in power systems, infrastructure support, and operational management, the founder envisioned a company that does more than supply generators - a company that builds trust through performance.
- ❑ From the beginning, the leadership focused on discipline, accountability, and long-term partnerships.
- ❑ Every decision was guided by one belief: power must never fail when people depend on it most.
- ❑ Today, that founding principle continues to shape HARMONY POWER's culture - leading with responsibility, delivering with integrity, and growing with purpose.

- ❑ **HARMONY POWER** Brand Generators introduced to Myanmar market as the most reliable products since the beginning of 2016. Then, we achieved over 1000 units population in the market within 10<sup>th</sup> years, including big capacities.
- ❑ In 2017, we started to distribute AOYAMA Brand elevators into Myanmar Market and achieved satisfaction from the customers.
- ❑ In 2018, we extend generator **Rental Business** to fulfil the customers requirement.
- ❑ We used to offer a quality sales force, dependable parts departments and qualified service technicians, all leading to a quality customer experience.
- ❑ We would like to express our sincere gratitude for having opportunity for supplying to your project.

## Our Vision

- ❑ “To become a trusted and compliant power solutions company, serving business, industrial, investment, and public sector needs across local and international markets.”
- ❑ “ယုံကြည်စိတ်ချရသော၊ စံချိန်စံညွှန်းနှင့် ကိုက်ညီသည့် ပါဝါဖြေရှင်းချက်များကို ပံ့ပိုးပေးပြီး စီးပွားရေး၊ စက်မှု၊ ရင်းနှီးမြှုပ်နှံမှုနှင့် အများပြည်သူဆိုင်ရာ လုပ်ငန်းများအတွက် ဒေသတွင်းနှင့် နိုင်ငံတကာတွင် ယုံကြည်ရသော Power Solutions Company ဖြစ်လာရန်”

## Our Mission

- ❑ “To deliver high-quality generator and power solutions with full compliance, timely execution, and professional after-sales support, creating long-term value for customers, investors, and public sector partners.”
- ❑ “အရည်အသွေးမြင့် Generator နှင့် Power Solutions များကို စံချိန်စံညွှန်းနှင့် ကိုက်ညီစွာ အချိန်မီ ပေးအပ်ပြီး ပရော်ဖက်ရှင်နယ် ဝန်ဆောင်မှုများ၊ ရောင်းချပြီးနောက် ထောက်ပံ့မှုများဖြင့် ဖောက်သည်များ၊ ရင်းနှီးမြှုပ်နှံသူများနှင့် အများပြည်သူဆိုင်ရာ အဖွဲ့အစည်းများအတွက် ရေရှည်တန်ဖိုး ဖန်တီးပေးခြင်း”

Director**

## Our Branch Offices:

- ❖ **Mandalay Branch** :N0.24/33, 57-B Street, Between 130 & 131. DaDa Ward, Pyigy Tagon, Mandalay
- ❖ **Kayin Branch** :Room(003), Blg-04, Shwe Phar Si Estate, Pha An, Kayin State.
- ❖ **Pathein Branch** :Room(26), Platinum Housing, Pathein-Chaung Thar Road. Pathein, Ayarwaddy Division.

## Our Service Point

## Our Represent Product Range

Generator -

Elevator -

**AOYAMA**

# Generator

## Product Category

**Tiehu Industrial Zone, Fuan, Fujian, China**

❖ **Small Range Generators  
(20KVA ~ 60KVA)**

❖ **Silent Type Generators  
(100KVA ~ 800KVA)**

❖ **Open Type Generators  
(60KVA ~ 2000KVA)**

❖ **Container Type Generators  
(800KVA ~ 25000KVA)**

We choose and co-operate with Global leading and the world well known manufacturers -

- Engine - Excellent performance as **Cummins, FAWDE, Deutz, YTO**
- Alternator - High efficiency as **Leroy Somer, Stamford and Mecc Alte Spa**
- Control - Fully digital system as **COMAP, DSE.**

## Generator

### Main Component Engines

Engine @ USA

**FAWDE**

Engine @ CHINA

# Generator

## Main Component Alternators

**STAMFORD**<sup>®</sup>

Alternator @ ENGLAND

**LERROY  
SOMER**<sup>®</sup>

Alternator @ FRANCE

# Generator

## Main Component Controls

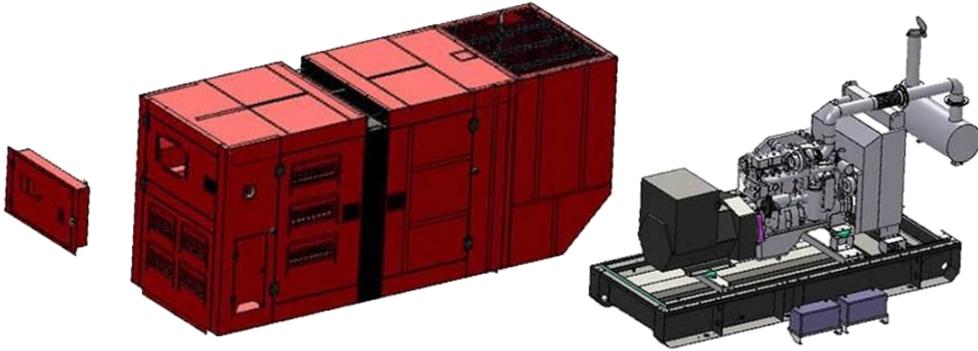

**ComAp**  
The heart of smart control  
**@ Czech Republic**

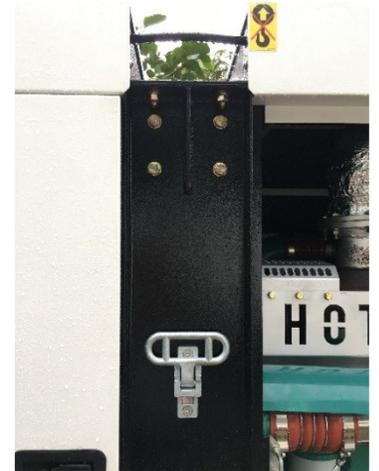

**DSE**  
**@ ENGLAND**

- The automatic control systems
- Intelligent and network techniques
- Automatic start and stop with automatic shut down on fault condition
- Alarming with auto protection

# Housing & External Features

- The Canopy is manufactured with a steel outer skin.
- Fire Proof (Zinc plated or stainless steel)
- Acoustic material
- Highly Corrosion Resistant Construction.
- Steel Plate Thickness
- ROPS (Roof Over Protecting System)
- Undercarriage
- Water Drain
- Fuel Tank.

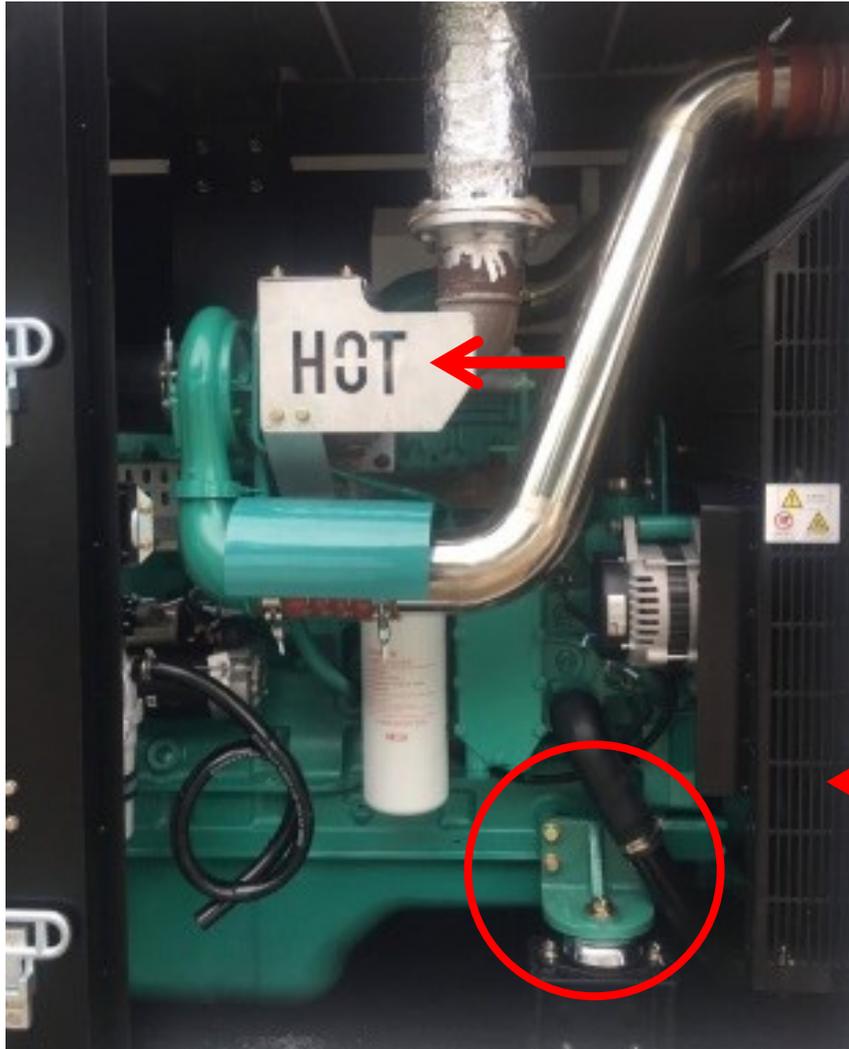

# Housing & External Features

- The fully covered load center houses all the outlets, compression terminals,

- Circuit breaker with Pest Cover
- Fully intelligent automatic shutdown when fault occurs.

## Interior Features

### ➤ Anti-Vibration Mounts

- Rubber diagonal isolators are specially design to reduce vibration and prevent distortion and harmonics output of the generator.
- Load from 0~100%, frequency vibration within  $\pm 0.25\%$
- No load wire volts max and undulation ratio within 0.5%
- **Exhaust silencing system** totally enclosed for operator safety.
- **50°C radiator** as standard, oil cooler, drain tap

### ➤ Heat Guard

### ➤ Fan Guard

## Interior Features

- Additional **Battery Switch**
- Additional **Hand Pump**
- **EFCG (Electronic Fuel Control Governor)**

## Automatic Transfer Switch (ATS)

- **HARMONY POWER** offers not only a changeover switch but also integrated mains detection and switch system for your 24 hour power protection. The system enables automatic start-up and operation of the generating set in the event of mains power failure, over voltage or loss of phase; also mains automatic will re-transfer once it comes back. The system has a wide application such as hospital, bank, telecom, airport, broadcasting station and hotels.

# SERVICES & WARRANTY POLICY

**One and Half Year  
(or)  
1500 Hours  
Warranty  
(Whichever come first)**

## Optional

- ATS
- Synchronizing

**24 Hours Services  
STANDBY**

*Together, Forever*

## Why should HARMONY POWER be chosen?

- Sales - Pre-Market Supports / After Market Supports
- Services - 24 Hours Services / Over 1000 Units Covered By 15 Persons  
3 Local Service Partner (3LSP)
- Spare Parts - Ready Stock / Quick Transition

**With  
Passion**

**Myanmar's Most Trusted  
Means**

**Market share :  
25% and above**

**Delivery for Unit :  
On time delivery unit = > 95%**

**Parts availability: > 75% by 2025**

**Best Quality Service  
Means**

**Service Response Time (SRT) := < 2 hours  
Re-Do ratio < 5%**

**Service Man Hours :  
2025 = < 1.5 of Standard factory time**
